## Sweet As A Peach Gift Card Holder

**Stamps:** Sweet As A Peach Bundle (stamps and dies)

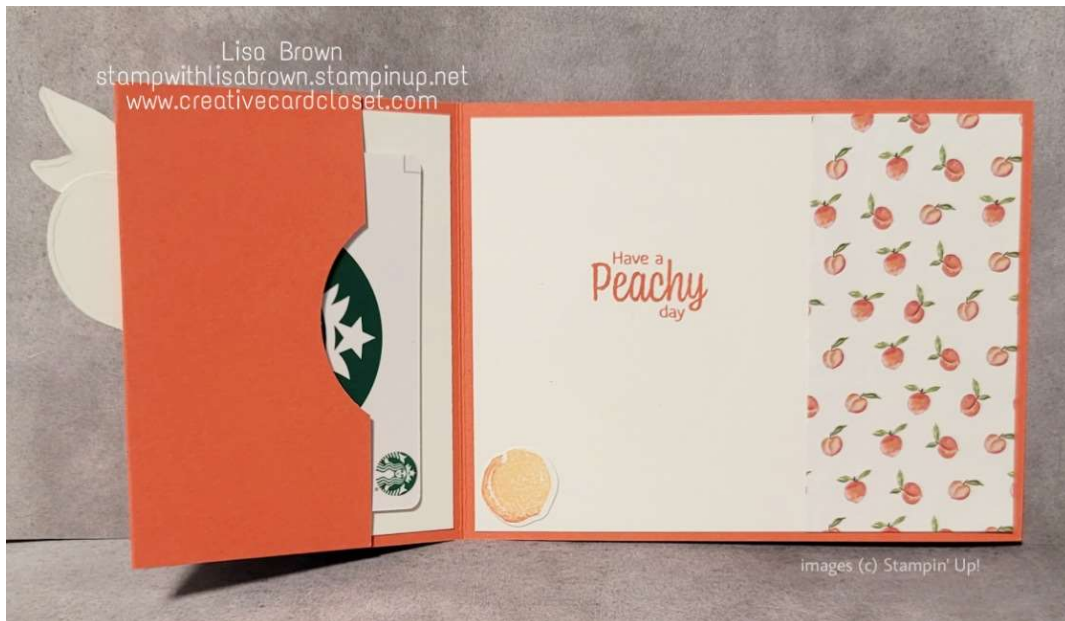

**Paper:** Calypso Coral Card Stock: 4-1/4 x 11 and 1 x 3  
 Basic White Card Stock: 3/4 x 3 and 2 x 4 and 4 x 5-1/4  
 You're A Peach Designer Series Paper: 2 x 4 and 3 x 4

**Inks:** Calypso Coral, Pale Papaya, and Pear Pizzazz

**Accessories:** Sponge Daubers and Layered Circle Dies

- Take Calypso Coral CS that is 4-1/4 x 11 at score at 5-1/2 and 8-3/4
- The 8-3/4 score line is what creates your gift card pocket when you fold it over (see picture below)
- Die cut about a 1/3 of a circle die at the end of your Calypso Coral CS to create a cut out to make it easier to pull out the gift card (see picture below)
- I placed a piece of Basic White that is 2 x 4 to line the pocket
- Glue the top and bottom edges down to create a pocket
- Fold on the 5-1/2 score line to create your main card fold.
- Adhere the 4 x 5-1/4 Basic White CS to the inside right then add 2 x 4 DSP

- Stamp inside words in Calypso Coral
- For the outside flap, adhere the 3 x 4 DSP
- Stamp Happy Birthday in Calypso Coral Ink on 3/4 x 3 Basic White
- Adhere above to 1 x 3 Calypso Coral CS and then add to front flap
- Stamp Peach in Pale Papaya. Add Calypso Coral Ink with a sponge dauber to the left edge of the peach. Die cut out.
- Stamp leaf stamp in Pear Pizzazz and die cut. Glue to top of peach
- Add Peach to card with Dimensionals. I only added to left side of peach as it hangs off the flap as you can see in below picture.

I've included my Sweet As A Peach Card too, keep scrolling!

(My inspiration is from page 60 of the 2021-2022 Annual Catalog)

**Stamps:** Sweet As A Peach Bundle (stamps and dies)

**Paper:**

Pear Pizzazz Card Stock:	5-1/2 x 8-1/2 and 1 x 3-3/4
Basic White Card Stock:	4-1/4 x 5-1/2 and 3/4 x 3-1/2
Pale Papaya Card Stock:	scrap piece about 2 x 2
You're A Peach Designer Series Paper:	4 x 5-1/4

**Inks:** Calypso Coral, Pale Papaya, and Granny Apple Green

**Accessories:** Sponge Daubers, Basic Rhinestones and Stampin' Dimensionals

- Pear Pizzazz CS 5-1/2 x 8-1/2 score and folded at 4-1/4 on long side
- On Basic White 4-1/4 x 5-1/2, stamp two sets of peaches and two sets of flowers (the stamps are in clusters of 3 so you will end up with 6 each). Stamp in Pale Papaya Ink then use Sponge Dauber to add Calypso Coral to flower centers & peach edges.
- Stamp 4 sets of leaves in Pear Pizzazz
- Die cut peaches, leaves, and flowers
- Stamp "Happy Birthday" on 3/4 x 3-1/2 Basic White. Ink words fully in Pale Papaya and then using a Sponge Dauber, add Calypso Coral across bottom half
- Adhere above to the Pear Pizzazz CS that is 1 x 3-3/4 and add to the center of your Designer Series Paper with Dimensionals. You can to adhere this first to your DSP so you know your spacing for next step.

- Adhere leaf die cuts with Dimensionals (2 above word label and 2 below word label). I put them in different directions.
- Next, adhere flowers and peaches on top of leaves with Dimensionals. I put flowers in top left and bottom right, then peaches at top right and bottom left.
- Using 2x2 Pale Papaya CS, die cut 4 sets of the tiny flower die. I added 3 to the left of Happy Birthday and 3 to the right. Then I added 3 up top and three at bottom.
- I added Basic Rhinestones over the tiny flowers up top and at bottom.
